

**Tucker County Health Department
September 29, 2021**

Tucker County's TOTAL CASE NUMBERS are 951 confirmed positive cases since the beginning of this pandemic, 47 active cases, 889 that have recovered and 15 deaths. Today the total number of new cases reported to us was 14. Since 9/01/2021, we have seen 259 NEW POSITIVE CASES of COVID-19 in the county (total positive cases in August (132), July (5), and June (2)).

Pfizer Boost Shots

The Tucker County Health Department, St. George Medical Clinic, and Preston Taylor Health Center are now offering Pfizer boost shots. Each will be giving boosters by appointment at their facilities. Also, the Community Vaccination Team will hold a community drive thru clinic on **October 15, 2021**, at the Parsons Fire Department Hall.

To schedule for an office visit or for the drive thru clinic, please call:

Tucker County Health Department	304-478-3572
St. George Medical Clinic	304-478-3339
Preston Taylor Mountain Top Clinic	304-463-3331
